The background of the page is a photograph of a modern school building. It features a wide, open staircase with a metal railing that has a perforated metal infill. Above the stairs is a balcony or walkway with a similar perforated metal railing. The building has a clean, geometric design with flat surfaces and sharp lines. The lighting is soft, suggesting an overcast day.

THE STUDENT '70

The opening of the 1969-70 school semester at Polytechnic High School was one of great joy and confusion. The teachers were striking for better classroom conditions while the students were rejoicing because of the new dress code.

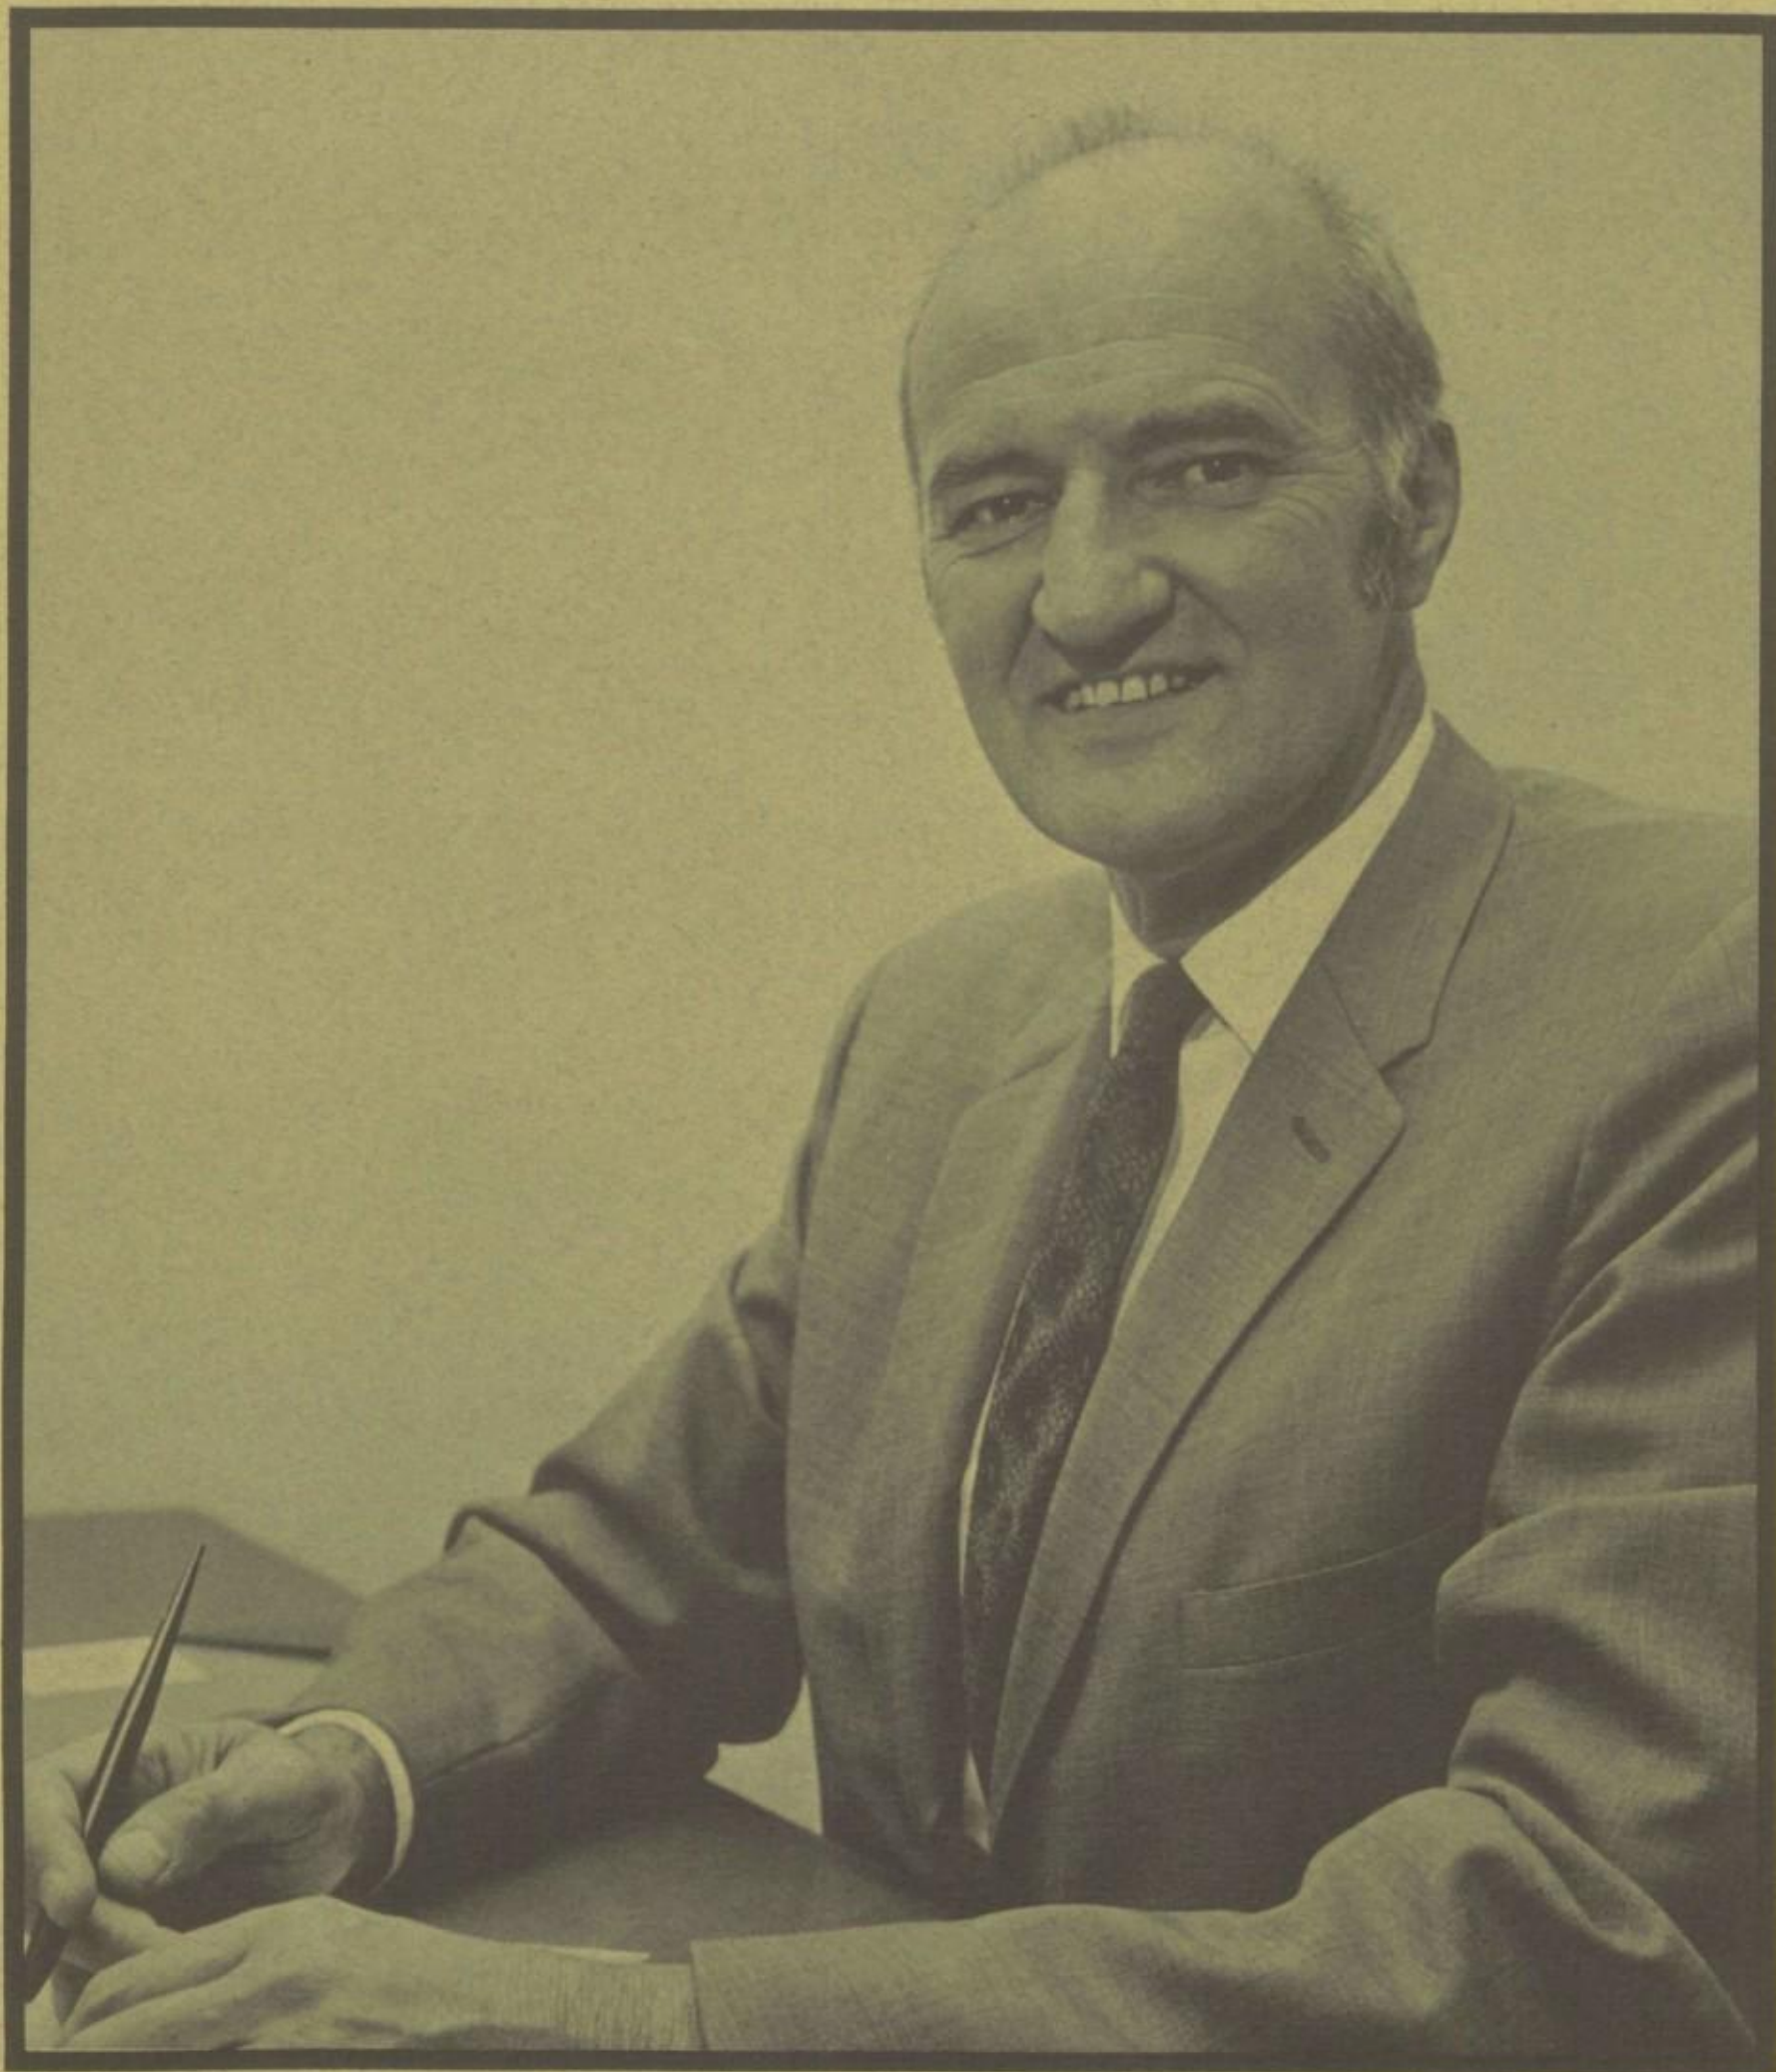

Although Spirit Week was cancelled due to the rain, Candy Trier was crowned Homecoming Queen along with her court consisting of Julie Hatamiya and Debbie Williams as 12th grade Princesses, Jackie Swenson and Karen Helling as 11th grade Princesses, and Nancy Vela and Linda Velaquez as 10th grade Princesses.

Polytechnic's students showed exceptional enthusiasm this last summer by going out and gathering both money and signatures to help save our sports.

Student Council Strives for School and Community Involvement

The fall Student Council Cabinet was led by George Saade, Student Body President, who was assisted by Vice-President, Julie Hatamiya. Corresponding Secretary was Cecelia Montoya and Recording Secretary was Judy Low. The Historian was Roger Smith and the Treasurer was Jeff Pressman.

Student Council started the semester off with a free dress code having only a few major restrictions. They are presently trying to improve the curriculum by adding classes that would be valuable and interesting to the students. Student Council is also working on more community involvement in Poly.

Various committees have been set up to work on such activities as Homecoming, clean-up campaign and the candy drive. Student Council is encouraging the clubs on campus to water plants and grass due to the shortage of janitors and gardeners caused by the recent budget cut.

Forth New Ideas

Student Council, under the leadership of Student Body President Jeff Snider, was active in both originating and working out new ideas. They formed committees including Athletic, Constitution Revision, Clean Campus, Communications and Open Forum groups.

During the spring the council worked hard obtaining suggestions for improvement, plus criticisms concerning student government and the school in general. The Clean Campus Committee worked hard keeping Poly clean and their campaign was quite successful. The Constitution Revision Committee had a revised constitution ready by the fourth week of school and it was sent through the Senators and to the homerooms for a vote. The council worked diligently throughout the spring for the betterment of Poly.

Poly's Open Forum allows students to voice their opinions on any student concern, both in and out of school. The Forum, under the direction of student council, brings awareness to many students with its often controversial topics. Guest speakers are added attractions that make the Forum a true learning process. After each speech, a period of questions and answers follows in which audience participation is invited. Poly is fortunate to be one of the few schools which has an Open Forum for participation.

Six Dyonesians Elected to Ephebian Society

A civic betterment and service organization, the EPHEBIAN SOCIETY, is composed of citizens graduated from the Los Angeles area high schools and chosen on the basis of outstanding character, leadership ability, high scholastic achievement and demonstrated school service.

Election of the Ephebians is an honor for past accomplishments. However, each Ephebian is expected to do justice to this honor in their adult years by supporting local charities and the Juvenile Hall Program.

Only those with a deep sense of social responsibility and a willingness to serve their community apply for Ephebians.

THE DYONESIAN CLASS FIGHT SONG (to the tune of "Teaberry Shuffle")

We come now before you,
Dyonesians of '70.
And we're here to show,
Our true colors of brown and
gold.
And we're here to tell you,
We're the latest and trueely
we're the greatest.
So stop look and listen,
We're coming out now Dyonesians.

THE DYONESIAN CLASS HYMM (to the tune of "Somewhere")

There's a place for us,
Somewhere a place for us,
In the near future years to
come,
Peace of mind somewhere.
There's a time for us,
Soon to come yet still far
away,
We will go then to make our way.
Someday, Somewhere, we'll reach
the goal that we strive for.
We'll find the life that we long
for.
Somewhere
As we lead the way,
Dyonesians we proudly say:
Go now forward as we proclaim,
Brown and Gold as we praise our
name,
Onwards, Upward forever.

The position of Sealbearer is one of the highest honors achieved by a Senior. Selected on the basis of four semesters' membership in the California Scholarship Federation chapter, (one of which must be in their senior year) they then become life members of the California Scholarship Federation.

Membership is open to students majoring in all fields. A student must have earned at least three A's and one B in their subjects, excluding physical education, to qualify for membership.

CSF Sealbearers have the gold seal of California impressed on their diploma and are recognized by a gold stole worn over their graduation robe.

SARACEN CLASS HYMN

(Theme of Romeo and Juliet)

This is our class, the Saracens.

We'll strive for honor and amend the wrongs
we see.

The Saracens will try to be the leaders, who'll
lead our land to peace and harmony.

As we look back we're proud to see, a class
that's blessed with Victory.

The Saracens, we proudly say, our future dreams
we know will always surpass today's.

The Saracens, we work to learn and strive for
the goals we know we must achieve to live.

And if the years to come bring sorrow, we know
there'll be a bright tomorrow for we have faith.

Remember and we will strive to keep that memory.

SARACEN FIGHT SONG (Notre Dame Fight Song)

We are the Saracens
And we're proud to be
Serving our class with
loyalty
To the class that is the
best
We'll fight for the
right for
To outshine the rest
Now all together
proudly we sing
To our great class,
That's everything
Everyday we're proud
to say that
We Are The Saracens.

Thirty Eight Saracens Achieve CSF Life Membership

One of the highest honors that can be achieved by a senior is the position of Sealbearer. Sealbearers are selected on the basis of four semester's membership in their school's California Scholarship Federation chapter, one of which must be in the senior year. Membership is open to all students with any major, but the scholastic requirements are high. The student must have earned at least three A's and one B in academic subjects, excluding physical education. C.S.F. Sealbearers have the gold seal of California impressed on their diploma and are recognized by a gold stole worn over their robe.

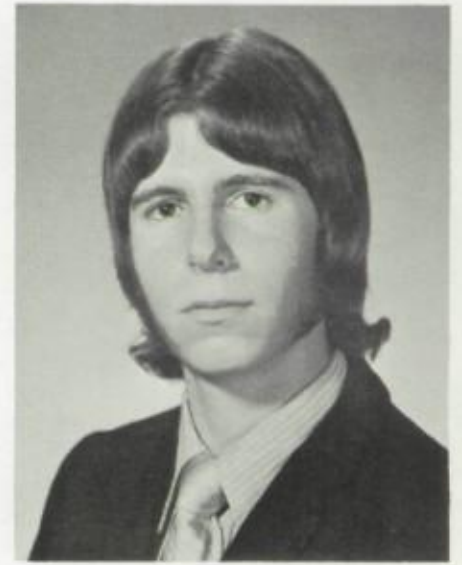

Some students pictured are potential Sealbearers. Their life membership in the California Scholarship Federation will be determined by their Senior A semester grades.

Parrots Finish Third in New MVL

This year's Varsity Football Team came into League competition undefeated and rated Number One in City. Unfortunately, the Mid-Valley League contains such powerful schools as: San Fernando, Birmingham, Granada Hills, Monroe, and Van Nuys. Opening the Mid-Valley league fight undefeated, the mighty Parrots came on strong defeating Monroe 33 to 0. Van Nuys also suffered defeat later in the opening season at 21 to 7.
